EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 11, line 4, "a semiconductor" should be "the semiconductor".

In claim 15, line 6, "the second" should be "a second".

In claims 16 and 17, line 2 of each, "position" should be "positions".

In claim 18, "an exposure" should be "the exposure".

In claim 19, line 24, "conductor" should be "semiconductor".

Allowable Subject Matter

2. Claims 11-20 are allowed.
3. The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose or fairly suggest either in singly or in combination a method of aligning and exposing a semiconductor wafer having the steps of providing a wafer with a layer having at least one alignment mark for aligning the wafer in the exposure device; forming a measurement structure with a first locational position in the exposure field in the first layer; subjecting the exposure field with the measurement structure to a chemical or physical process; subsequently measuring a second locational position of the measurement structure; comparing the first and second locational positions; correcting the exposure position of the exposure field in the exposure device; and other steps in the claims.
